## SUMMARY

Programmer specialist in building multidimensional databases for business intelligence software.

## TECHNICAL SKILLS

- Languages: Scala, Java, PHP.
- Databases: SQL, SQL Server, Oracle, MySQL, PostgreSQL, SQLite, MongoDB.
- Other: Git, Apache Spark, GCS, BigQuery, Azure, SSIS, Apache Airflow, Tableau, Power BI, HTML, CSS, JavaScript.

## PROFESSIONAL EXPERIENCE

**TEAM International**, San Salvador, El Salvador

*Data Analyst*, August 2022 - Present

**Applaudo Studios**, San Salvador, El Salvador

*ETL Developer*, September 2020 - July 2022

- Orchestrated pipes and workflows in Apache Airflow to deploy ETL processes for Walmart Inc. data engineering projects.
- Optimized SQL queries in BigQuery to build financial reports used as inputs for Tableau dashboards.
- Created ETL processes in Scala to extract data from ORC files in Google Cloud Storage and load it into MySQL.
- Documented architectural design of Entity Relationship Diagrams and ETL mapping documents in Confluence pages and Jira User Stories.

**Cupón Club**, San Salvador, El Salvador

*Programmer*, October 2016 - September 2020

- Built sales and business intelligence reports using SQL to retrieve data from transactional source systems.
- Implemented system of push notifications for an Android app using Firebase in Java.

**ESEN**, La Libertad, El Salvador

*Systems Analyst* (March 2011 - March 2013), *Adjunct Lecturer* (January 2018 - July 2018, May 2017 - July 2017)

- Taught Introduction to Databases, Excel VBA and Programming I.

**Kodak Alaris**, Rochester, NY

*Software Intern*, May 2016 - August 2016, May 2015 - August 2015, May 2014 - August 2014

- Implemented transformations with SQL Server Data Tools to produce desired output data types for data migrated from Oracle transactional databases to SQL Server data warehouses.
- Created OLAP cubes in SSIS and ETL processes for business intelligence, analytics, and reporting applications.
- Developed and fixed Oracle PL/SQL scripts used to populate, data mine and generate production, service, and business reports for Remote Business Management products.

## EDUCATION

**University of Rochester**, Rochester, NY

August 2015 - May 2016

- Teaching Assistant for CSC 261 (Database Systems).
- Completed 16 credits towards a Ph.D. in Computer Science.

**Rochester Institute of Technology**, Rochester, NY

Master of Science in Information Sciences and Technologies, August 2013 - May 2016

- Fulbright Foreign Student Program Scholarship (flagship U.S. Department of State's exchange program).
- GPA 3.87/4.0.
- RIT Graduate Merit Scholarship.

**Loyola University Chicago**, Chicago, IL

Fulbright Intensive English Program, March - August 2013

**UNICAES**, Santa Ana, El Salvador

Bachelor of Science in Computer Engineering, Cum Laude, January 2005 - May 2011

- GPA 8.8/10.0 (Class rank: 1 out of a graduating class of 14).

**University of Alabama in Huntsville**, Huntsville, AL

Global Undergraduate Exchange Program, August 2009 - May 2010

- Concentration in Computer Engineering.
- GPA 4.0/4.0.
- Global UGRAD Scholarship (U.S. Department of State's exchange program).

## STANDARDIZED TESTS & CERTIFICATIONS

**Verified International Academic Qualifications**, <https://badges.wes.org/Evidence?i=78b0ed78-7d7b-4fd3-9a55-4b5349d06ccc>

**IELTS General Training**, September 2022. Overall Band Score: 7.5 | Listening: 8.0 | Reading: 6.5 | Writing: 7.0 | Speaking: 7.5
